### Brene Brown Braving The Wilderness

Social scientist Brené Brown, PhD, LMSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging.

Brene Brown's *Braving the Wilderness* also presents a deep, engaging and powerful antidote to hatred and dehumanization. I can only wish more people will choose to heed this message because it's life changing for you, me, us and the world. Life-Changing Message of Self-Belonging I found Brene's message of self-belonging to be enlightening.
