Crystal Quest Water Coolers Delivery Information ...

Brackish water or briny water is water that has more salinity than fresh water, but not as much as seawater. It may result from mixing of seawater with fresh water, as in estuaries, or it may occur in brackish fossil aquifers. The word comes from the Middle Dutch root "brak".

Brackish Reverse Osmosis Systems | Crystal Quest

I purchased this Crystal Quest bottleless water cooler w/UV system for our CPA office and it's been a royal pain from day 1...We had to pay 2 different plumbers to come to the office to professionally install it due to leaks and both commented on the poor quality of the connectors...We also purchased the Smart Valve to protect against potential leaks and it was so loud that we had to uninstall ...
