Graham Elliott is professor of economics at the University of California, San Diego. Allan Timmermann holds the Atkinson/Epstein Chair at the Rady School of Management at the University of California, San Diego, where he is also professor of finance and economics. "This book is an excellent and valuable one on economic forecasting for academics as well as practitioners.

Economic Forecasting | Princeton University Press

"Economic Forecasting is a great book by two leaders in the field. Elliott and Timmermann present a complete and modern view of forecasting methods in economics, covering both traditional topics and the latest research in this area. It deserves a spot on every economist's bookshelf."—Andrew J. Patton, Duke University
