Intellectuals And Society Thomas Sowell

Thomas Sowell analyses intellectuals' self-confident promotion of their empirically challenged ideas via media, aides and activists, the influence of those ideas on governments and societies in place of experience or evidence, and the damage caused.

Amazon.com: Intellectuals and Society (9780465025220 ...

Intellectuals and Society is a non-fiction book by Thomas Sowell. The book was initially published on January 5, 2010 by Basic Books. Intellectuals are defined as "idea workers" that exercise profound influence on policy makers and public opinion, but are often not directly accountable for the results. Intellectuals and Society examines the record of these idea workers and the conditions, methods and incentives driving their points of view that, according to Sowell, have often resulted in disast
