Swamp Fox minutely details many of Gen, Francis Marion's campaigns and battles. It also provides us with many biographical details of Marion before and after the American Revolutionary War. We see in Marion not only a cunning strategist and tactician (the bane of the harsh British Lt. Col. Tarleton), but also a man of high principles who refused to compromise them when he stood nearly alone on them.

Subsequent biographies or studies of him have never totally superseded The Campaigns of General Nathan Bedford Forrest (1868) by General Thomas Jordan (West Pointer and chief of staff to Generals Beauregard, Albert Sidney Johnston, and Braxton Bragg) and the professional journalist J. P. Pryor. Forrest himself gave them complete access to his military papers, spent many hours in interviews with them, and closely supervised their writing.
