The Art Of Being Human

The Art of Being Human: The Humanities as a Technique for Living introduces students to the joys of the humanities — those disciplines that reflect the best efforts of human culture through the ages and around the globe. Authors Richard Janaro and Thelma Altshuler's topical, thematic approach empowers students to think critically about key artforms and themes individually, and to draw significant connections among them.

With the structured focus on coming up with at least three examples of turnarounds when doing The Work, it is very easy to miss a crucial element in the process: that turnarounds are intended as pointers to an experience, not as an intellectual exercise where we tick things off on a list.

Practice - The Art of Being Human

Being human is an art. It is a captivating work of art on canvas. The canvas comes to life and we become lost in the magnificence of the colors, images and sensations. We are the brush that continues to stroke itself against the canvas, expressing every next thought, emotions and feelings.
