The Limits of Criminal Law Amidst the war on drugs of the 1980s, Congress passed legislation authorizing federal prosecutors to go after drug dealers and drug kingpins. Next came carjackers, arsonists, deadbeat dads and moms who flee from their duty to pay child support, and bigots who commit hate crimes.

The Limits of Criminal Law

The Limits of Criminal Law shines light from the outer edges of the criminal law in to better understand its core. From a framework of core principles, different borders are explored to test out where criminal law's normative or performative limits are, in particular, the borders of crime with tort, non-criminal enforcement, medical law, business regulation, administrative sanctions, counter-terrorism and intelligence law.

The United States suffers from too much criminal law and too much punishment. These two trends conspire to produce massive injustice. To rectify this injustice, we need to defend and implement a theory of criminalization: a set of constraints that limit the authority of states to enact and enforce penal offenses. Although the topic of criminalization is of enormous theoretical and practical ...
